Dear FEC:

This letter gives a more detailed description of three contribution entries on our Pre-Primary FEC Report filed on May 6, 2002. Our Gnosso FEC software doesn't allow for detailed descriptions in the itemized receipt section as the FEC software does.

There are three contributions entered on line 14 in the Receipts section, \$340 from each of the Blumenauer, Wu and Hooley Campaigns. These are reimbursements to the DeFazio Campaign for a shared campaign visibility event that did not include fund raising. They are not contributions from these Campaigns. The refund or re-designation line seemed to be the most logical place for these entries. Please advise if an amendment is necessary.

Sincerely,

Melanie Strahon
Campaign Manager
